

src/curve25519/ed25519  
/additions/utility.h

```
graph TD; A["src/curve25519/ed25519  
/additions/utility.h"] --> B["fe.h"]; B --> C["crypto_int32.h"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains the text 'src/curve25519/ed25519 /additions/utility.h'. A blue arrow points downwards from the bottom center of this box to the top center of a white box containing 'fe.h'. Another blue arrow points downwards from the bottom center of the 'fe.h' box to the top center of a white box containing 'crypto\_int32.h'.

fe.h

crypto\_int32.h
